PRS' reports are limited publications containing valuable market information provided to a select group of customers in response to orders and our customers acknowledge when ordering that the reports so ordered are for our customer's own internal use only and not for general publication or disclosure to third parties. This report may not be copied or given, lent or sold to third parties without written permission nor may its contents be disclosed to non-customers without written permission. All rights (including copyright) reserved to the copyright holder. PRS reports are based on information believed by us to be reliable. No guarantee or warranty is made to users that the information is accurate or complete. The risk ratings are the result of study and analysis of information regarded as relevant and represent our best judgment. These ratings are not our recommendations to make commercial decisions and should be regarded as only one factor by management in making such decisions in their own business judgment. No guarantee or warranty is made to users that the ratings are accurate or reliable. The Service is offered to users AS IS with NO WARRANTIES, EXPRESS OR IMPLIED, including without limitation the WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSES.

 Under the Foreign Assets Control Regulations, the United States Government has established economic sanctions against these countries. The Regulations affect "all U.S. citizens and permanent residents wherever they are located, all people and organizations physically in the United States, and all branches and subsidiaries of U.S. organizations throughout the world." For further information about these regulations, contact the Office of Foreign Assets Control, U.S. Department of the Treasury. The PRS Group provides services to businesses around the world. These reports are not intended to encourage activity that violates the sanctions of the U.S. government.
